

# Lucky Slime

## INGREDIENTS

- 4-ounce bottle of white glue
- ¼ teaspoon baking soda
- ½ teaspoon green food coloring
- 1 packet of green glitter (optional)
- 1 tablespoon saline solution

## DIRECTIONS

- 1) Pour all of the glue into a mixing bowl.
- 2) Stir in the baking soda.
- 3) Stir in the food coloring and glitter (optional).
- 4) Stir in the saline solution and mix well.

When the slime pulls away from the edges of the bowl, it is ready! Add slightly more or less saline solution to make it more or less firm. Good luck!

# Rainbow Fluffy Slime

## INGREDIENTS

- 4-ounce bottle of white glue
- ¼ teaspoon baking soda
- ¼ cup water
- 2 cups of shaving cream (approximate)
- ¼ teaspoon food coloring
- 1 packet of glitter (optional)
- 1½ tablespoons saline solution

## DIRECTIONS

- 1) Pour all of the glue into a mixing bowl.
- 2) Stir in the baking soda.
- 3) Stir in the water.
- 4) Stir in about two cups of shaving cream.
- 5) Stir in the food coloring and glitter (optional).
- 6) Stir in the saline solution and mix well.

When the slime pulls away from the edges of the bowl, it is ready. Add slightly more or less saline solution to make it more or less firm. Repeat twice more with two additional colors, then swirl the slime together to make a rainbow!

# Pot of Gold Slime

## INGREDIENTS

- 5-ounce bottle of clear glue
- ¼ teaspoon baking soda
- ¼ cup water
- 1 packet of gold glitter
- 2½ tablespoons saline solution

## DIRECTIONS

- 1) Pour all of the glue into a mixing bowl.
- 2) Stir in the baking soda.
- 3) Stir in the water.
- 4) Stir in the glitter.
- 5) Stir in the saline solution and mix well.

When the slime pulls away from the edges of the bowl, it is ready. Add slightly more or less saline solution to make it more or less firm. You are now rich with slime!
